## **CU\*NorthWest to Attend CA & NV Convention**

### **Spokane, WA – August 17<sup>th</sup>, 2010**

The data processing CUSO, CU\*NorthWest, recently announced its plans to participate in the upcoming California and Nevada Annual Meeting and Convention in Anaheim California, November 15-17.

According to Greg Smith, President/CEO for the CUSO, this will be the first appearance for CU\*NorthWest or its core processing solution, CU\*BASE, at this event. CU\*NorthWest recently converted its first California credit union in San Bernardino (1<sup>st</sup> Valley Credit Union) and has plans to expand in that market.

“Our product and service offerings are gaining traction in the West, so we’re excited to attend this conference and introduce ourselves to other California and Nevada credit unions,” comments Smith. “We have a great story to tell about networked business strategies, and will continue to promote collaboration as a vehicle for sustainability in the credit union industry.

### **About CU\*NorthWest**

CU\*NorthWest was founded in 2005 and is a 100% credit union-owned CUSO located in Liberty Lake, Washington. CU\*NorthWest offers a wide variety of services for credit unions including its flagship CU\*BASE processing system in both an online (ASP) and in-house environment, and Internet development services featuring the **It’s Me 247** online banking product. Additional services include web site development, network design and security, bookkeeping services, and a complete eDocument solution. CU\*NorthWest provides expertise in implementing technical solutions to operational needs, and helps credit unions form strategic alliances and partnerships.
